Your 30-day free trial begins immediately, and we will not charge you until your trial is complete. We will send you a reminder seven days before your trial ends, and you will need to cancel before your trial ends to avoid being charged. Otherwise, your subscription will renew on the same day each month, and we will charge you \$1.99 monthly until you cancel. When canceling, you will continue to have access until the end of the billing period. We do not prorate subscription fees.
